This is one Turkey burger you will surely gobble up! Bubba Foods is excited to announce the newest member of the BUBBA burger® family of products. The new Turkey BUBBA burgers® have hit the market and are moving fast!

The Turkey BUBBA burgers® are made of 100% All Natural White Turkey and have the classic BUBBA burger® shape. Like all BUBBA burgers our new Turkey BUBBA burger® is frozen to seal in freshness and maintain quality. The new Turkey BUBBA burger® provides for exceptional convenience that all BUBBA burger fans expect and take approximately 12-16 minutes to cook right from the freezer. The Turkey BUBBA burgers® are 4oz. burgers with 160 calories each, 5 grams of fat and lower sodium. The Turkey BUBBA burger® has **American Heart Association®** certification that the product meets its standards for its low saturated fat content and low cholesterol, providing a healthy choice for those desiring a great BUBBA burger® taste. Package sizes available are a 2 pound box with 8 burgers and a 4 pound box containing 16 burgers with a suggested retail price falling directly in line with other BUBBA burger® products.

The new Turkey BUBBA burger® is available now at fine grocers alongside other BUBBA burger items.

The BUBBA burger® is the # 1 selling premium branded frozen burger in the nation and the Turkey BUBBA burger® is the natural extension of the BUBBA burger® offering for the heart healthy consumer.

Remember Bubba says, “You’ll Never Bite a Burger Better Than a BUBBA®”!!!
